This technical diagram illustrates the exploded view of a lawnmower deck assembly. The central component is the main deck housing (1), which features two large circular openings for the cutting blades. Surrounding this central unit are various sub-assemblies and individual components, each labeled with a numerical callout. At the top, a long, curved blade (47) is shown. Below it, the deck is supported by a frame (6) and a rear support (7). The deck is mounted on a base (1) which includes a central spindle (17) and two side spindles (30, 31). The cutting blades (48) are shown in their assembled position, secured by nuts (32) and washers (33). The deck is also equipped with a rear handle (46) and a front handle (47). The diagram includes a detailed view of the blade mounting mechanism (11-15) and a view of the deck's internal structure (16-19). The entire assembly is shown in a disassembled state to facilitate identification of individual parts.
