This technical drawing is an exploded view of a mechanical assembly, likely a pump or motor component. The main assembly is shown in a disassembled state, with various parts labeled with numbers from 1 to 78. The central part of the assembly is a large, circular component (7) with a central shaft (13) and a large gear (31). The shaft is supported by bearings (28, 41, 47) and a housing (32). The gear (31) is connected to a smaller gear (29) via a belt or chain drive. The assembly is mounted on a base (16) with a spring (17) and a lever (18). A detailed inset on the right shows a close-up of the central mechanism, highlighting the shaft (13), gear (31), and various seals and bearings (61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78).
