A

This diagram shows an exploded view of a mechanical assembly. The components are labeled with numbers 1 through 62. The assembly includes a main frame (26), a handle (21), a trigger gun (14), a trigger mechanism (17), a trigger spring (18), a trigger button (11), a trigger button cap (12), a trigger button cap screw (13), a trigger button cap nut (15), a trigger button cap washer (8), a trigger button cap pin (1), a trigger button cap bush (2), a trigger button cap spring (7), a trigger button cap pin (3), a trigger button cap pin (4), a trigger button cap pin (9), a trigger button cap pin (6), a trigger button cap pin (5), a trigger button cap pin (16), a trigger button cap pin (10), a trigger button cap pin (17), a trigger button cap pin (14), a trigger button cap pin (25), a trigger button cap pin (58), a trigger button cap pin (23), a trigger button cap pin (24), a trigger button cap pin (19), a trigger button cap pin (20), a trigger button cap pin (22), a trigger button cap pin (61), a trigger button cap pin (62).

This diagram shows an exploded view of a mechanical assembly. The components are labeled with numbers and leader lines:

- 70**: A small pin or screw at the top left.
- 71**: A circular flange or cap at the top.
- 43**: A central component with a flange and internal structure.
- 72**: A circular flange or cap below the central component.
- 73**: A circular flange or cap below the previous one.
- 44**: A circular flange or cap below the previous one.
- 45**: A long, flat, rectangular plate or bracket.
- 12**: A circular flange or cap below the plate.
- 46**: A threaded rod or screw at the bottom.
